

MINUTES:

DRAFT

When: Wednesday, September 1, 2021 11:00 – 12:00 PM (PDT)

Where: Web-conference

- I. There were 33 attendees to the WBPP regional web meeting. Attendees included:

Darlene Lane – NCPP
Andrew Blower – Oregon DOT
Brandon Henning – Nevada DOT
John Hooks - NCPP
Chris Keegan - NCPP
Diana Hellman - Fujifilm
Cody Parker – Utah DOT
Herb Mcdowell – Idaho DOT
Greg Heilman – Jet Filter System
Raj Ailaney – FHWA
Becky Nix – Utah DOT
Chris Long – FHWA CA
David Benton – Arizona DOT
Roman Peralta, Washington DOT
Bouzid Choubane - NCPP
Brent Schiller – Forsgren Associates
Chris Davis
Drew Garceau – Collins Engineers
Ed Welch – NCPP
Eddie Yost
Evan Grimm – Washington DOT
Glenn Washer
Jean Nehme
Joshua Sletten - WSP
Lorella Angelini – Angelini Consulting Services
Matt Harlan – David Evans and Associates
Theresa Jones – City of Reno
Thomas Collins
Amir Rezvani
Andrew Pack – Idaho DOT
Glenn Washer

- II. Welcome/Introductions

Andrew welcomes everyone, takes roll call, and moves to accept minutes from the previous month's phone meeting. There are no objections and minutes are accepted.

III. Working Group Updates

Bridge Deck Preservation – Pat Martin

John Hooks: Response to the survey about sealer practices, we have 23 responses so far.

Local Agency Outreach – Travis Kinney

No New Updates

TSP2-Bridge_Preservation_Training_Flyer.pdf

<https://tsp2bridge.pavementpreservation.org/technical/fhwa/documents/>

IV. TSP2 – Joint WBPP/ MWBPP Meeting – December 6-9, 2021, Phoenix, AZ

2021 WBPP_MWBPP
Save-the-Date Flyer.

2021 Meeting – John Hooks

Registration is now open. We have additional funding to include more owner attendances outside the two per each state. Looking for volunteers to be panel members for the panel sessions.

Panel Topics:

- Strengthening Needs for both State and Local Agency Owned Bridges
- Using Inspection Data to Support Preservation Decision-making
- Innovative Inspection Technology

https://www.tsp2.org/register/input.php?meeting_id=217

Covid – 19 Precautions:

- Will reference CDC guidelines, any facility guidelines and protective measures and host state guidelines
- Will encourage wearing masks and vaccinations
- Renaissance Phoenix Glendale Hotel statement on Covid-19 precautions - <https://whattoexpect.marriott.com/phxgr>
- Looking at space to allow social distancing between the exhibits and sessions. This will be optional.

Looking for a 2022 meeting location for a WBPP meeting in October or November. Looking for agencies willing to host. Most the leg work is performed by NCPP. The next National meeting will be in the Fall 2023.

Bridge Inspection Working:

John Hooks – A couple years ago started a working group in the southeast on bridge inspection working group. The Midwest started one up this year. Contact Chris Keegan on the working group if there is interest.

Chris Keegan – Looking for a champion from one of the states.

John Hooks – Someone would have to volunteer to be the chair and develop the agenda and put together minutes.

Herb McDowell – Anyone interested

Andrew Blower – Discussed with Inspection group, but no one was interested yet.

Herb McDowell – Same for Idaho

Brandon Henning – Said he might be interested in being the Chair. Just needs to check on some items.

V. Technical Presentation: Verifying Deck Sealer Effectiveness with Time-Lapse Thermal Imaging: NCHRP IDEA Project 220

Glenn A. Washer, PhD

James C. Dowell Fellow

Department of Civil and Environmental Engineering

University of Missouri

Cell: (573)239-1368

Discussion:

Raj A. – What was the time lag between application of sealer and measuring of the evaporation?

Glenn W. – Timeline was sealer overnight and then put water on it.

Raj A. – Reason he asks was in the beginning you said you were measure the effectiveness of the sealer. Have you done any projects to measure the effectiveness over a longer period like weeks or months?

Glenn W. – Not currently, but is a good idea moving forward.

Herb M. – Is the idea to outfit DOT with this technology, so they can do that themselves.

Glenn W. – I don't think it will be that specialized, the algorithm is specialized. Anyone can set up the system. His hope to have system that is easy for state or contractors to use.

Bouزيد C. – Have you monitored the deck characteristic like the friction.

Glenn W. – No, they haven't. The penetrating sealers don't have any affect on the surface of the deck. He's not the expert on this, so would have to ask.

VI. NEW BUSINESS:

VII. Administrative items/ New Business/ Current Budget/ Travel/ Annual Meeting

WBPP Directorship:

- Steering Committee Directors (per the By-Laws):
 - Current
 - (4) State: Herb McDowell, Andrew Blower, Brandon Henning, Natasha Butler
 - (1) Local: **Vacant**
 - (1) Academia: Chris Higgins
 - (2) Industry: Matt Harlan, Josh Sletten
 - (1) At-Large: **Vacant** (fill with State Agency)
 - (1) FHWA: Chris Long
 - Officers:
 - Proposed: (per the By-Laws: State Agency Officers move up after serving 1 year term in that position)
 - Chair: Herb McDowell
 - State Vice Chair: Andrew Blower
 - Industry Vice Chair: Matt Harlan (3 year term)
 - Sec/Tres: Brandon Henning

Adjourn

October 6th will be the next web meeting. 11:00 – 12:00 PM (PDT)
