Technical Presentation: - Into to Bridge Painting

This presentation is an introduction to bridge painting and those elements involved with it. This will provide an overview of the evaluation of the existing bridge coatings system, design of the specifications, inspection during the construction phase and maintenance considerations following completion of the project. It will also provide information on the new coatings organization, The Association for Materials Protection and Performance (AMPP), formerly NACE and SSPC.

AASHTO's Duty of Care Statement for Returning to In Person Meeting:

The health and safety of AASHTO meeting attendees and employees is a top priority. As AASHTO prepares for a return to in-person meetings, we will be monitoring CDC guidance and following recommended COVID-19 protocols and onsite precautions. As new developments arise over the coming months, our approach will adapt and we will keep the community informed of any changes. Onsite health and safety measures and requirements for in-person attendance will be communicated at least 2 weeks prior to the start of the event. By registering to attend AASHTO Event as an in-person attendee, you are consenting to comply with health and safety protocols published by AASHTO, and/or local health officials.
