AASHTO TSP-2

2021 Western/Midwest Joint Bridge Preservation Partnership Annual Meeting

What is TSP-2? The Transportation System Preservation Technical Services Program (TSP-2) was initiated as an efficient means to disseminate information to AASHTO member agencies and other highway agencies for preserving their highway infrastructure, including both pavements and bridges. Its principal mission is to serve as a clearinghouse with comprehensive and up-to-date information on efficient and effective preservation measures that enhance highway performance and extend useful life.

What are the Western & Midwest Bridge Preservation Partnerships (WBPP & MWBPP)? The Western & Midwest Bridge Preservation Partnerships are a regional forums comprised of bridge practitioners from State, Local and Federal Government Agencies, Contractors, Consultants, Suppliers, Academia, and Canadian Provinces where bridge preservation practices throughout the Western and Midwestern Regions are shared. You are encouraged to become a member of the WBPP or the MWBPP, but membership is not required to attend the 2021 annual meeting.

State transportation agencies: through the AASHTO TSP-2 yearly, voluntary contribution, state member agencies may send two participants and receive travel, lodging, registration, and expense reimbursement for those participants to attend the 2021 annual meeting.

Provincial agencies: for payment of a \$4,500 fee, provincial member agencies may send two participants and receive travel, lodging, registration, and expense reimbursement for those two participants to attend the 2021 joint annual Western/Midwest meeting.

Local agencies: for payment of a \$2,250 fee, local member agencies may send one participant and receive travel, lodging, registration, and expense reimbursement for that one participant to attend the 2021 joint annual Western/Midwest meeting.

Industry members will each receive one paid exhibitor display space with table plus paid registration for two participants who will also be eligible to serve as officers. Elected industry officers may cast one vote on issues being considered at the business meeting. National membership for 2021 in the Bridge Preservation Partnerships allows these benefits at this meeting and the SEBPP meeting. [Optional Industry Sponsorships—to Support Additional State Attendees. See industry registration page for details.](#)
