Access Code: 305-841-766

Audio PIN: Shown after joining the meeting

Meeting ID: 305-841-766

Next Meeting: July 6th, 2022 11:00 AM PDT

Technical Session:

This month we will be holding a round table discussion on anti-graffiti coatings lead by Senior Coatings Engineer for Oregon DOT, Andrew Blower. We will talk about the differences between sacrificial and non-sacrificial anti-graffiti coatings and the impacts different products have on maintenance forces as they battle ever daring amateur street artists. Please feel free to bring your expertise with specifying, supplying, or maintaining anti-graffiti coatings to the discussion.
